EASEMENTS

An easement is a section of land registered on your title which gives someone the right to use the land for a specific purpose even though they are not the land owner. A common example of this is a sewer easement.

If you wish to build over an easement, you will need to get consent from whoever the easement is vested in e.g. Goulburn Valley Water. For information on easement locations please refer to your property title.

UNDERGROUND ELECTRICAL

Providence Field Estate is serviced by underground electricity, each property has been supplied with an electrical pit at its boundary where connection is to be taken from. For any issues during connection please contact Powercor Australia.

BUSHFIRE ATTACK LEVEL (BAL)

Providence Field Estate is not within a bushfire attack prone area. For further information on this please refer the Appendix A of this report.

WATER AND SEWERAGE PROPERTY CONNECTIONS

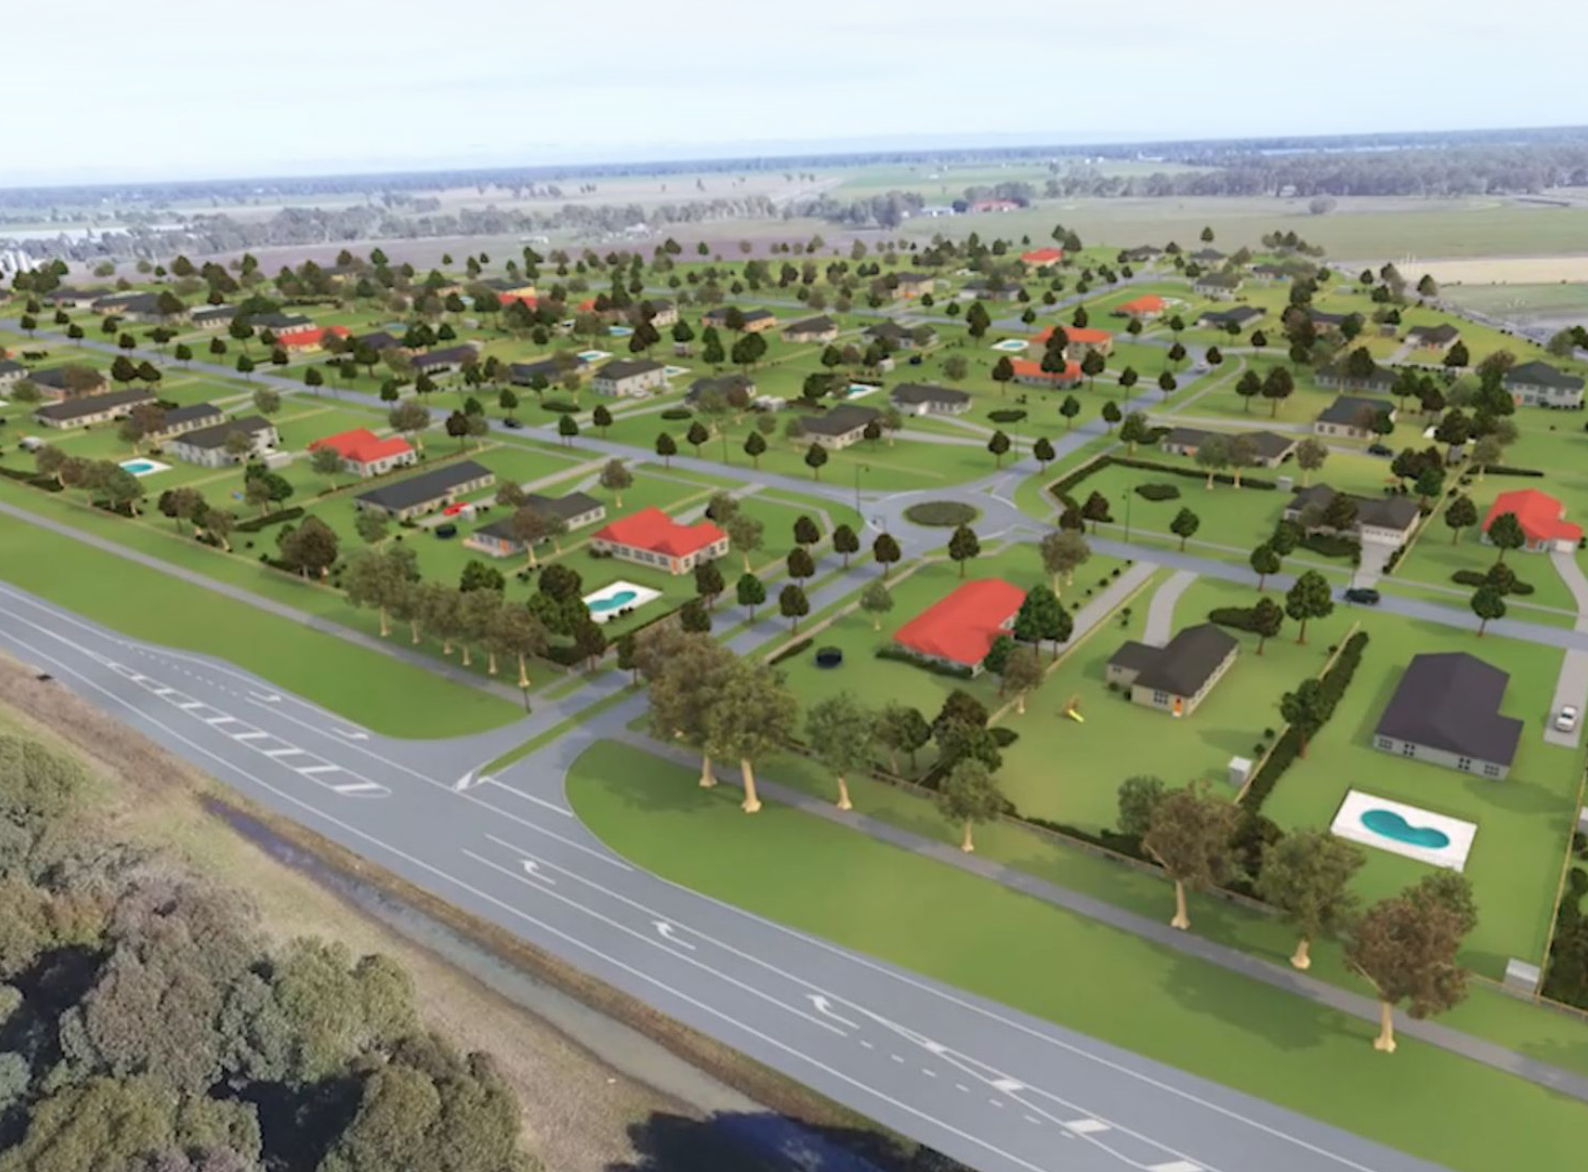

Providence Field Estate is serviced by town water and sewer. Each property has a pre tapped water and sewer connection. These connections have been brought within the boundary of each property. Information of the location and depth of the property connection can be found at Goulburn Valley Water.

GAS SUPPLY

Providence Field Estate is serviced by underground Natural Gas. For any issues please contact Envestra.

PROTECTIVE COVENANTS

For information of the protective covenants at the Providence Field Estate please refer to Appendix B of this report.
